Hey, who took my surfboard?

This swingin'.

So what's your problem?

For me, really?

Ummm there goes the good humor man!

So that's what happened to Baby Jane.

How about some push ups?

Look ma, no teeth!

Me Tarzan!

Now, really!

Hey, you're right!

Block B Queen?

Greggy, get out of here.

See my new tonette?

Oo my feet hurt!

Wait for me!

Hi!

I'm playing my ear drum!

Want a bite?

But I want to twist, not hula!

Gee, you're stupid!!

Drop dead!

I can't get my ring off!

Don't shoot

Where did he go?

Oh boy, more presents!

Hey, ma, what's for dessert?

What do you mean, get this thing off the road?

Really?

Same to you, buddy!

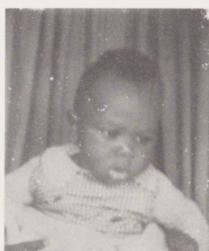

But it's too hot for a coat!

Throw it to me.

Who said you could take my picture?

I want my football.

I forgot!

These are mine!

Look ma, no cavities!

Bye, I'll see ya!

Wanna drag?

Don't
stare
at me!

Ma, this headstand is
killing me!

What do I do now?

What's the
big idea?

Do blondes really have
more fun?

I dreamed I rode in my stroller.

But, I gotta go
NOW!

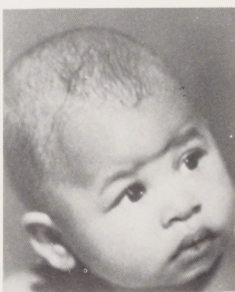

What?

Hey, I want a Dilly Bar!

I want **OUT!**

Who was that?

I wanna go too!

Smile, you're
on candid camera.

What was her name!

I'm happy.

Sherwood
forest?

Which way did he go?

The framework of a modern civilization is its government. Without progressive ideas and policies a country could fall to ruin just as a school could, unless its framework followed modern lines. This Big B is for boys. Sounds interesting, doesn't it, girls? The Block B is for boys who have lettered in Sports. This organization chooses our candidates for Homecoming Queen.

BLOCK B G.A.A.

The Girls' Athletic Association is a group of girls who are determined to pass President Kennedy's physical fitness tests. Besides their participation in many G.A.A. "Playdays," the girls also sponsor the Homecoming Dance.

Future Homemakers of America; the title explains the aims and goals of the club. For those who want a clearer definition we can say the club teaches its members to be experienced and economical homemakers.

F.H.A.

B.T.A.

The B.T.A. Neophytes were formed so that interested students could become acquainted with the teaching profession. The members of this club hope to become teachers of the future.

Doctors, nurses and other workers in the field of medicine are necessary factors of a community. The Medical Club promotes an interest in the various fields of medicine through speakers, field trips, and volunteer workers at the hospital.

MEDICAL CLUB SCIENCE CLUB

The Science Club offered an opportunity for students to develop scientific projects of their own. With the added emphasis on science today we are proud that our school has promoted an interest in the various fields of scientific study.

These students repair books, number books, put books in the right order on the shelves, and check them out to the students. The Library staff does everything librarians are supposed to do.

If you happened to wander by the music room 5th period, you might have heard some aspiring young vocalist warming up for another session in chorus.

A.F.S.

The American Field Service Campus Club has been active for two years. The members of this club participated in money-making activities throughout the year so they could bring foreign students to our school.

A.F.S. FOREIGN STUDENTS

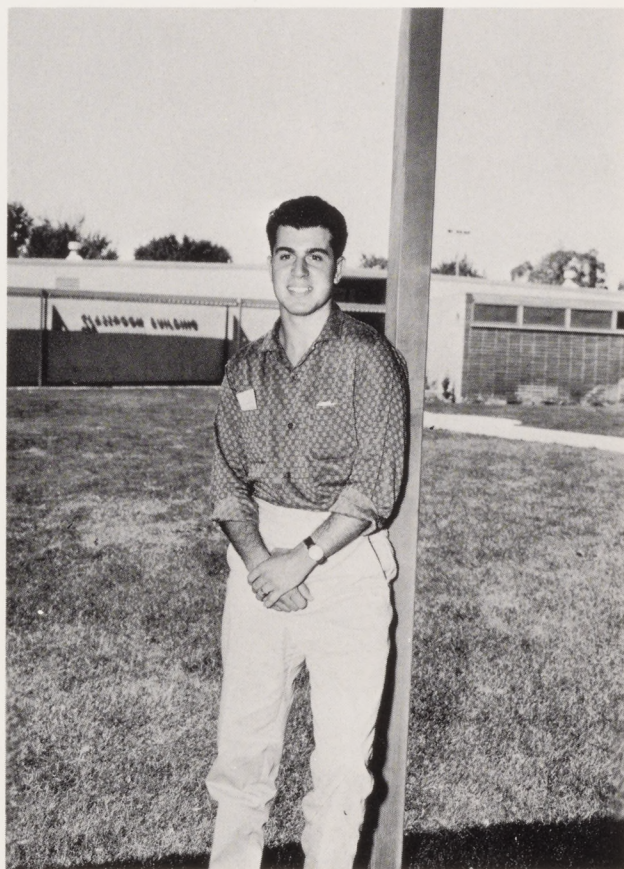

MINERVA ALICERA

Our foreign student Minerva Alicera was born in Santiago, Chile, on December 12, 1944. Her father is a mechanic and her mother is an elementary school teacher. Her country is the narrowest and longest country of the world. Minerva stated quite emphatically, that Chile has no jungle and no wild people. Minerva enjoys classical music as much as Ivan does although "West Side Story" seems to have most of her attention at the time.

Minerva has participated in many sports in her country and has continued to do so here. She lives with Mr. & Mrs. Don Watson.

Ivan Volterra, our boy foreign student, was born on May 20, 1944 in Ancora, Italy. His parents live in Rome where his father is an accountant. Ivan said he was greatly impressed by the friendliness of everyone in America.

Popular records would be a thing of the past if all teen-agers were like Ivan; he would rather listen to classical music than hurt his ears on the music his teen-age friends enjoy. According to Ivan our school system is better than that in Italy. We have extra-curricular activities while his school didn't. American food was no problem as Ivan became adjusted to it soon after arriving here. Ivan is living with Mr. & Mrs. William Eaton during his stay in America.

IVAN VOLTERRA

ACTIVITIES

BAND

There's the sound of music in the air. Well naturally, here comes the Bronco Band marching up to the football field for another game. We are very grateful for the loyalty of this group throughout the year.

MAJORETTES

A flash of silver and a hearty "Catch it quick" from the head majorette means the majorettes are marching again. These four girls made our games and parades very interesting.

DRILL TEAM

The drill team is composed of girls who like to march, march, march & march. They must be crazy!

JV CHEERLEADERS

Our J.V. Pepleaders help to boost the morale of our J.V. teams. Their interest in J.V. games boosts student interest also.

SONGLEADERS

"On ole Banning" and other songs rang through our ears when our Songleaders started to sing (or yell) out the words. Their good work was greatly appreciated by the students even though they did make us hoarse at times.

VARSITY BASEBALL

Baseball has not received as much recognition at B.U.H.S. as have the other sports. We know the boys feel the importance of the game because they have always played their best without as much student support as is enjoyed by the boys participating in football and basketball.

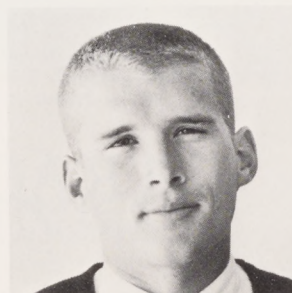

BACK ROW, L. to R.: Coach B. Marshall, R. Hobbs, Manager L. Alloway, P. McCann, J. Halman, J. McNeil, D. Lyons, B. Denny, J. Watson, L. Rubus. FRONT ROW: D. Williams, H. Lerma, K. Stolte, T. Lettieri, D. Lee, W. Kjørvestad, O. Haworth, G. Van Kirk, D. Gobel.

J.V. BASEBALL

These J.V. Baseball players form the nucleus of our varsity teams. Their unheralded efforts truly reflect not only a fine team effort, but also a good school spirit.

Brian Marshall
Coach

TRACK

The early Olympic games stressed speed, agility, endurance and good muscular coordination. These qualities are still stressed today for all of the boys who participate in track events.

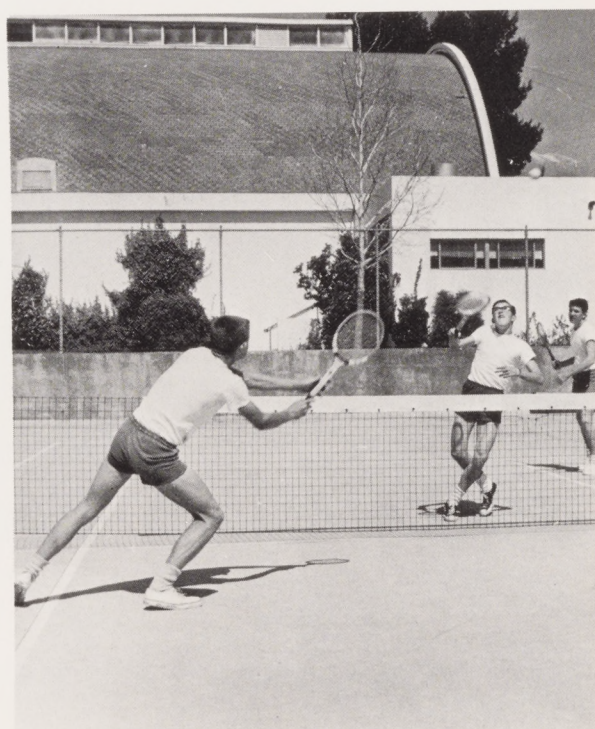

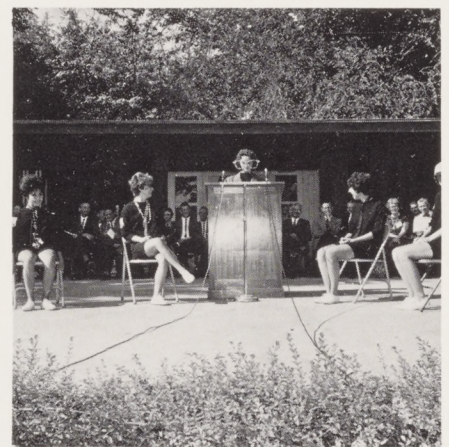

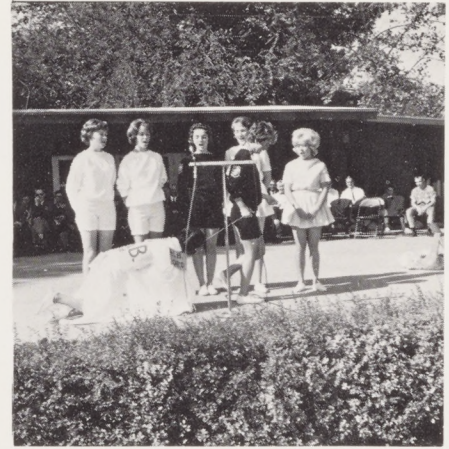

BACK ROW, L. to R.: S. Higbee, S. Wilson, C. Cole, D. Matthies, B. Kilgore, B. Stoner, W. Noble, R. Heckman, Mr. Dave Martin, Advisor. FRONT ROW: J. Higbee, F. Pendleton, G. Barnes, P. Ring, L. McDonald, G. Darnell.

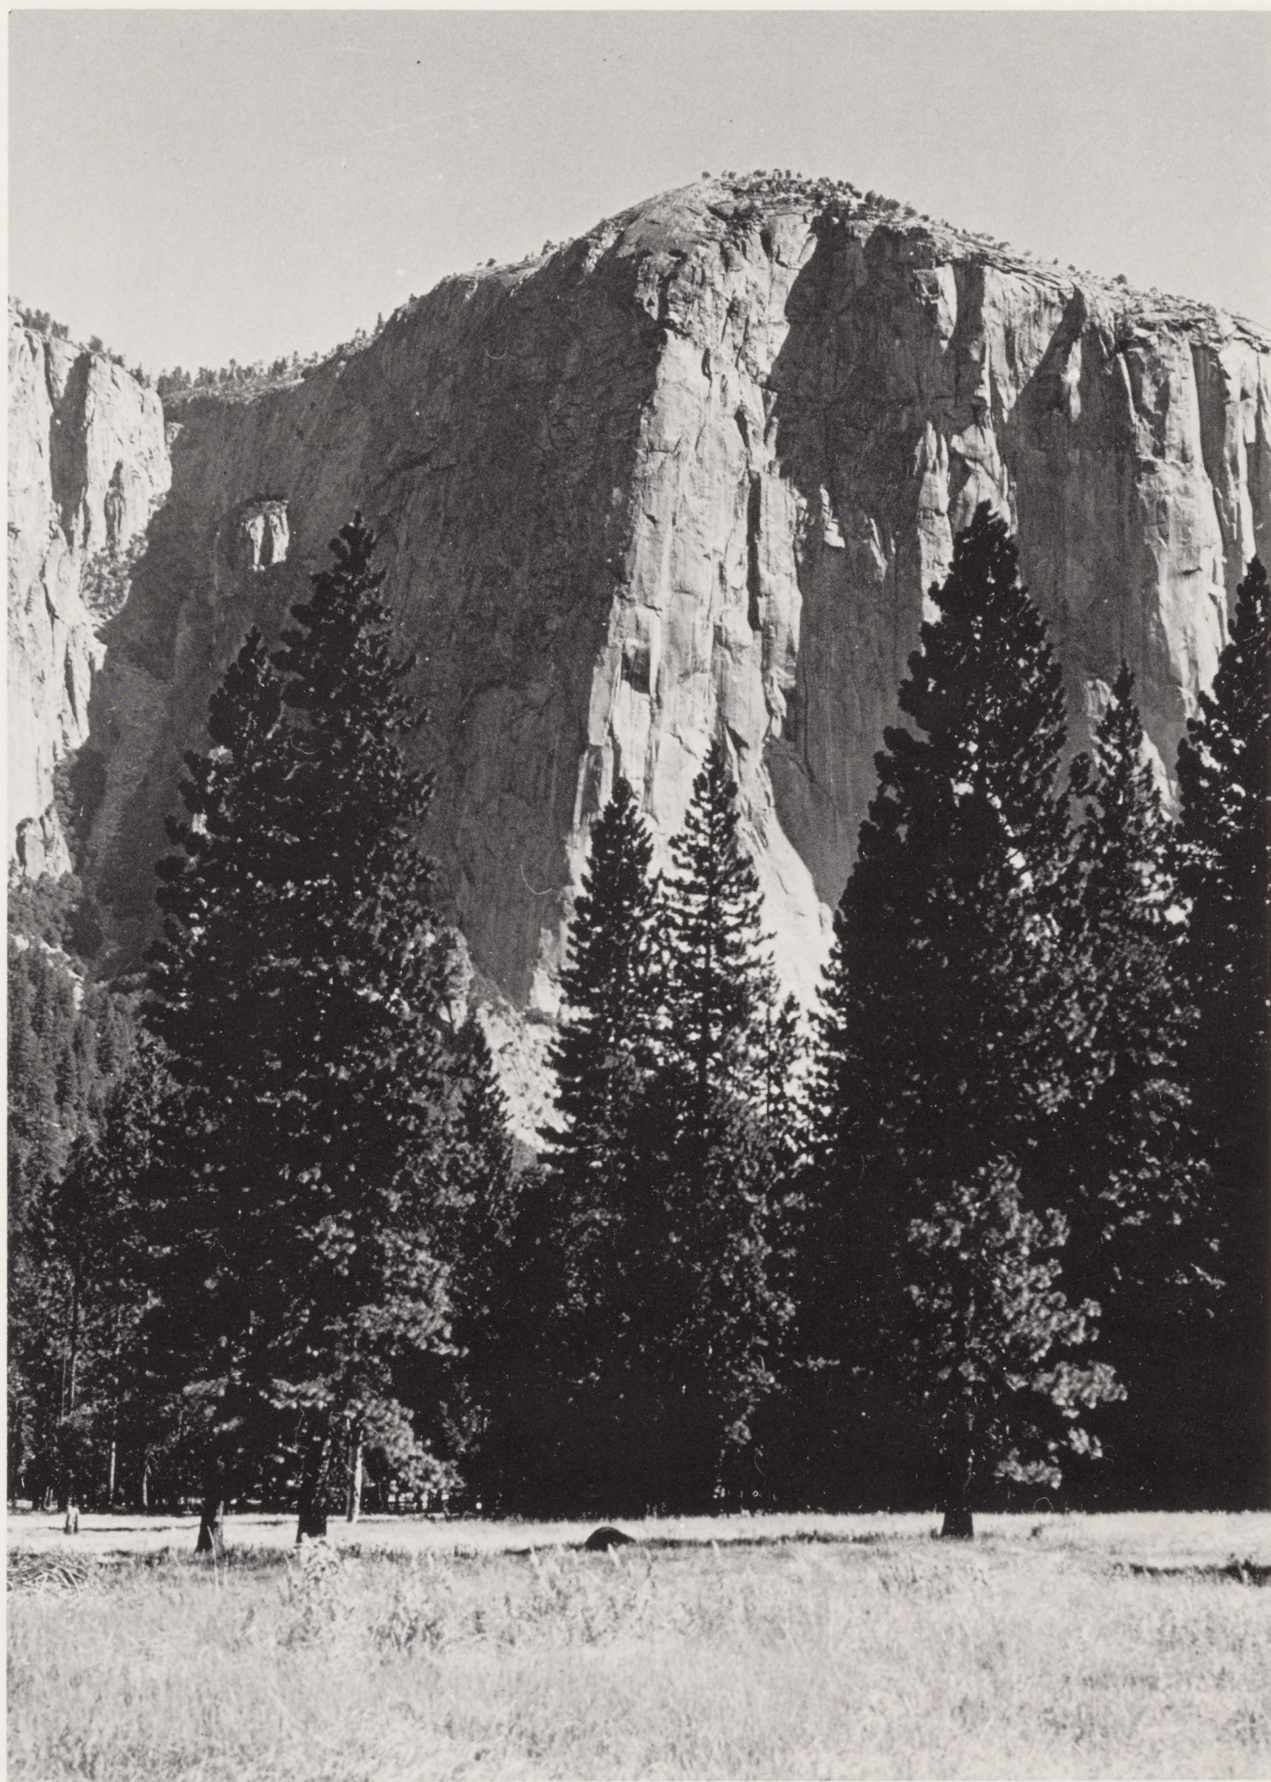

TENNIS

Calling all schools! The members of the B.U.H.S. racquet squad are on the loose again. This is a warning to all opposing racqueteers to be on guard against their expert serves and smashing returns.

The first day of school at LAST!!!
